Swanton Morley
Neighbourhood Plan

Vision statement:

Swanton Morley is, and will continue to be, a great place for our children to grow up and make their homes, with a real sense of community.

To preserve and enhance the history, rural aspect, natural environment, attractive outlook, village atmosphere and unique natural beauty, for all the community to enjoy, whilst embracing a prosperous and sustainable future as a place where people choose to live, work and visit.

Project Summary

- **Emerging Policy Statements :**
  The emerging policy statements were not reviewed by the Steering Group at their last NPSG meeting, the review will happen at the next NPSG meeting and be used as the basis to identify the emerging policies for the Neighbourhood Plan.

- **Sustainability Appraisal (SA) Scoping Report:**
  The draft SA Scoping Report will be reviewed at the next NPSG meeting prior to being issued to the Statutory Bodies (Environment Agency, Historic England and Natural England) for the consultation to agree the SA Framework that will be used to 'test' the Neighbourhood Plan.

Steering Group (NPSG)

The NPSG met on Monday 4th April 2016. It was noted that although Mr Keith had always acted properly and appropriately he decided to step down as Chairman, following an Inspectors advice and the possibility of community adverse perception. Mr Atterwill was appointed the new Chairman of the Steering Group.

It was decided that more information was wanted on patient capacity, school places, an updated school travel plan, highways improvements and capacity of utilities.

Next NPSG meeting is scheduled for Wednesday 25th May 2016 at the Village Hall, starting at 7pm. The focus will be on reviewing and taking forward the emerging policy statements.
